REGIONAL WINTER WEATHER SUMMARY

Cal OES State Wide Weather Briefing 01/18/16 - 01/24/16

- Tuesday's storm will bring locally heavy rain across the northern two thirds of California.
 - Higher snow levels will limit snow accumulation but travel will be impacted at the higher passes.
 - Gusty winds may impact travel and cause downed trees and localized power outages.
 - Low confidence in debris flows near recent burn scars.
 - Localized urban flooding possible.
 - Additional river rises likely but river flooding is not expected.
- Wednesday and Thursday will be mostly dry across the state except for far Northern California, but no significant impacts expected.
- Another storm will move across the state Thursday night through Friday with the potential for more enhanced impacts than Tuesday's storm.
 - A bit more flooding is possible across the far northern portions including the coastal areas similar to what was observed on Sunday, 01/17/16.
 - Additional river rises likely but river flooding is not expected.
- Lingering showers on Saturday but dry conditions Sunday into next week.
- Far southern California to remain dry through the entire week.

CAL OES MISSIONS

New/Ongoing Missions

- **2016-LAW-20870, 1/15/16, 2055 hours:** Placer County requested assistance in the search for a skier missing from the area of the Sugar Bowl Ski Resort near Donner Pass. Placer County had a general location of the missing person based on a “ping” from a cell phone, and were requesting 20 Type I personnel to search an area with heavy recent snowfall and snow slides. The request was for a search starting 0800 on 1/16. A Nordic team of 14 from Contra Costa County was in the area doing training. They agreed to commit to the search. Additional personnel were obtained from the National Ski Patrol, Northern California Unit. **Update 1/17/16:** Search continues using additional aviation resources from the California National Guard (CNG). **Update 1/18/15:** The search continues using ground resources from Marin County, San Mateo County Bay Area Mountain Rescue Unit (BAMRU), Nevada County, El Dorado County, Douglas County Nevada, National Ski Patrol, and the Tahoe Nordic Ski Team. Aviation resources from the California National Guard and California Highway Patrol are being used. An additional avalanche dog will be assigned today. AFRCC is assisting with cell phone forensics. These mutual aid resources are in support of a large contingent from Placer County. **Mission On Going**

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
